CONCERT IN BENWOOD .- The Young Folks' Concert given by Miss Alice E. Rogers, at Union Hall, Benwood last Thursday evening, was a very enjoyable affair. Miss Rogers proved herself a skillful performer, and one well fitted for her profession as a teacher of music. She was assisted in giving the entertainment by a class of her pupils, (some of them quite young) each of whom showed herself to be mistress of the pieces assigned her. Each one performed her part so well that we could not discriminate beween them and do justice. We can only say that the younger members of the class displayed a talent for music far beyond our expectations, and are deserving of great praise for their effort on Thursday evening. It is needless to say that the audience was well pleased with the performance, and manifested their appreciation of it by hearty applause at the conclusion of each piece. Peabody's String Band entertained the audience during the intermission. Everything con-nected with the affair passed off in the most pleasant and agreeable manner. We are informed that the proceeds of the oncert are to be given to the Disciples Church in this city, and we know the members of that congregation will feel grateful to Miss Rogers and those who assisted her, for the substantial addition made to their exchequor by this pleasant entertainment.

On the same evening elections were held for a Past Chancellor's uniform and a breast pin. The friends of the several andidates rallied in quite large numbers, and 25 cent notes dropped as lively into the ballot boxes as slips of paper of a different character did at some of the voting places last Tuesday.
